

The following is only a template for you guys to begin drafting your own recruiting emails to send out to colleges. I have added everything that we believe you should include in this email. IF YOU COPY THE EMAIL WORD FOR WORD MAKE SURE YOU FILL OUT THE INFORMATION IN PARENTHESES. DO NOT LEAVE PARENTHESES IN. YOU WILL GET OVERLOOKED IF YOU SEND A TEMPLATE WITHOUT FILLING OUT YOUR INFORMATION AND THE COACHES NAME!!!!

Make sure when you send this email you send it to the recruiting coordinator of the school. All of their contact info should be found on the athletics website for that team. If there is no recruiting coordinator, send it to your **position** coach. Pitching coach if you pitch and hitting coach if not. Typically a head coach will not respond to recruiting emails before another member of their staff brings you to their attention.

Your email address should be professional! First and last name @whatever or some variation of that is good. Stay away from nicknames or jokes of any kind in your email address. Make sure it can easily be identified as you!

Good luck to you and the team this year!

Thank you!

(your full name)

ATTACH STATS, FIELDLEVEL AND VIDEO DON'T FORGET. If your most recent stats are not college material, don't add them. Instead add metrics; 60 time, EV, FB Velo, PitchLogic/BlastMotion. *If you have an impressive (stand-out) stat/analytic from last season add that in after the second sentence.*

Completed it should look like this:
